2023 ANNUAL GENERAL MEETING

United Kingdom: Tim Haines, Interim Chairman of the United Kingdom Airsoft Players Union (UKAPU) and Interim Vice-Chairman Tom Pritchard, today announced that the Annual General Meeting (AGM) will be hosted online, on the UKAPU Discord server at **1900** on the **3rd of August 2023**.

The AGM will be an opportunity for all UKAPU members to discuss subjects on the agenda, raised by writing by the 24th of July, elect committee members, and shape the future of UKAPU for airsoft in the UK.

Tim Haines, Interim Chairman said, “The AGM is an opportunity for our members to be actively involved in the future of UKAPU and the work we undertake. Aside from the election of officers which takes place at each AGM, it’s an opportunity for members to put forward their questions and points to the committee. We are looking forward to speaking with all those who can attend, and hope that we can work together to move forward and improve support not only for members, but airsoft in the UK as a whole.”

Tom Pritchard, Interim Vice Chairman said, “UKAPU has always been run by players for the players, and I would encourage those who have airsofts’ best interests at heart to join us. We currently have vacant positions within the committee, as regional representatives and as consultants to assist us with protecting and promoting airsoft in the UK.”

Any member of UKAPU can add an item to the agenda of the AGM or put themselves forward to become a member of the committee. Any questions, content or nominations must be submitted to secretary@ukapu.org.uk no later than the **24th of July**.

About UKAPU: [UKAPU](https://www.ukapu.org.uk) is an unincorporated non-profit association formed by a dedicated group of Airsoft skirmishers to help protect and strengthen our hobby. By providing a united and official organisation that represents players, we can far more effectively engage in discussion with the government, other organisations, and the press when skirmishing comes under threat.
