Meeting format

Small meeting due to limited number of attendees. Please refer to previous meeting notes for information relating to previous minutes.

National Airsoft Festival

Insurance quote recieved from insurers

Quote passed to members of committee present

Robbie has asked for copies of insurance to be placed on Nextcloud

Authorisation has been given and will be paid by DW using the UKAPU company card

This will ultimately close AP 4.7

Constitution

Changes to constitution placed on Facebook last month, no negative comments recieved.

Changes to constitution placed on Discord tonight, approved by all.

DW will publish this on the site shortly.

This will ultimately close AP 3.5, AP 5.1

Attendance

Robbie to check in with members of the committee.

NABV

We have received comms relating to a campaign by NABV to lower the minimum age of airsoft players in NL. Responses to their questions will be answered and returned shortly.

Recruiting

Robbie is still speaking to Tish, Robbie and Yams to arrange an interview.

Student rep update

Liam has been contacted by an airsoft society that wishes to get Airsoft recognised by BUCS (British Universities and Colleges Sport) with a view to eventually organise inter-uni games.

His view is that BUCS requires sport recognition, something that is not available at present. There will be further discussions on the matter.

There were also discussions between Yams and Liam regarding potential use of the UKAPU Attacksense targets at Cardiff Uni freshers weekend.

Date of next meeting

Undecided
